AMENDMENT "C"

Director of the U.S. Patent
and Trademark Office
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Office Action of February 17, 2005, a response being due with a one month extension of time by June 17, 2005, please amend the above-identified application as follows:

Amendment C: CLAIM AMENDMENTS

Please cancel Claims 9 - 11 and substitute Claims 12 - 14 therefor as follows:

Claims 1 - 8 (cancelled by earlier amendments).

Claims 9 - 11 (cancelled herein).

12. (new) A cooling fan structure comprising:

a base having an interior opening of a circular configuration;

a ring stator mounted in said interior opening of said base, said ring stator having an annular periphery with a coil wrapped entirely therearound, said ring stator supporting an axle fixedly positioned centrally therein, said ring stator having a plurality of struts extending radially from said axle to said annular periphery thereof, said axle being fixed to said plurality of
